

# 2018 CASA AGM Resolution

*Submitted by: Farm Safety Nova Scotia*

**Where as,** the Canadian Agricultural Safety Association is the only national organization with a single mandate of promoting safety in the agricultural sector and states it works with partners across the country; and

**Where as,** farm safety is becoming a priority in many provinces; and

**Where as,** there are many organizations across the country supporting the mandate of promoting safety in the agricultural sector; and

**Where as,** the Canadian Agricultural Safety Association is in the ideal position to pull organizations together to collaborate, network and share;

**Therefore be it resolved that,** the Canadian Agricultural Safety Association make it a priority to strengthen and build its relationships with industry associations across the country and provide a forum for collaboration, networking and sharing amongst key industry stakeholders on an on-going basis.
